Sir:

The applicants herewith petition the Commissioner of Patents and Trademarks to re-send to the undersigned applicants' agent the Office Action that was apparently mailed on March 26, 2002 in the above case and to reset the period for response to this Office Action, because the said Office Action was never received by the undersigned agent.

The previous Office Action in this case was mailed on August 23, 2001 and a response thereto was sent by the undersigned agent on November 12, 2001.

On February 26, 2001, the undersigned agent called the Examiner, Mr. Shun Lee, to find out whether the response was timely received. This call was made due to the Anthrax problem that existed at that time. Mr. Lee indicated that he did receive the response and that he expected to act on it shortly.

Today (July 23, 2002), the undersigned agent, not having received any further communication in this case from the USPTO, has again called the Examiner, Mr. Shun Lee, and
